

MARYLAND ORCHID SOCIETY

MEMBER/EXHIBITOR SALES AND EXHIBIT INFORMATION

Dear MOS Members and Fellow Orchidists,

Thanks for your participation in our 2018 Show. Because of you it was a great success. We hope that our 2019 Show will be even better. **Note that the Show has moved to the Main Building on the Fairgrounds.** I will send exhibitors and vendors a location map. Therefore, it is with great pleasure and anticipation that we send you the enclosed information and extend to you an invitation to participate and exhibit in:

THE MARYLAND ORCHID SOCIETY'S 2019 SHOW AND SALE March 8 - 10, 2019, "Celebrate the Chesapeake Bay"

Please note the following times and dates: Main Building (Cow Palace)

The Sales area will be open for Show participants and Society members, at the Fairgrounds, from 3:00 p.m. to 5:00 p.m. on Thursday, March 7, 2019. There is no charge to attend this.

The Show Committee constantly strives to improve the Show and Sale experience for everyone involved. With that in mind, MOS will continue to use a plant registration system at this year's show. This will improve the judging of plants and exhibits in the Show. All exhibitors will be required to register all plants being used in their respective exhibits. This must be completed by 6:00 p.m. on Wednesday, March 6, 2019 or your plants/exhibit will not be judged. There will be no exceptions. The user front-end for this process will again be Microsoft Excel.

Please read the rules and regulations carefully. Give special attention to the deadline for reserving exhibit space. Please keep in mind that all plants entered in any Class must be registered by the exhibitor into the MOS Registration System. Exhibitors in Division I Exhibits, must submit an Exhibitor Reservation Form by February 28, 2019.

Each exhibitor or representative must be present at 6:00 p.m., Sunday, March 10, 2019 to dismantle and remove his/her exhibit.

Label card stock will be provided; exhibitors must make their own plant labels and supply their own label wire, display lighting, extension cords and sheet moss.
